

# 3652RK

Creative Touch 3 Series 65" Interactive Flat Panel Display

- **Create, connect and collaborate effortlessly with Creative Board - Ready-to-use whiteboard featuring built-in annotation tools**
- **Advanced touch technology - Pen and finger recognition for a seamless experience**
- **Designed for hybrid learning - Teach and collaborate from separate locations in real-time**
- **Safe and secure viewing experience - Anti-glare, anti-fingerprint, low blue light and flicker free TUV certified panel**

Robust collaboration, extensive connectivity options and a value-focused design. Combining the latest technology and packed with everything a classroom or business requires, the Creative Touch 3 Series delivers all the functionalities and processing power needed to create, educate and collaborate.

Easily access the front-facing ports for HDMI and USB connectivity. For wireless connectivity, CreativeCast Pro™ allows up to four users to share contents at the same time from their Windows, iOS, macOS, Chrome or Android device.

In order to let teachers can now work on their lesson plans from home and instantly bring them to any classroom, our Creative Board includes Google Classroom with single sign-on (SSO) design, teachers can quickly sync with Google Classroom bringing the benefits of paperless sharing and digital collaboration to the classroom. Furthermore, the easy-to-use IFPDs also make lessons more fun with built-in collaboration tools such as Vote, where teachers are able to collect valuable feedback instantly.

Remotely manage your IFPDs, projectors, LED displays and more. Set alerts, schedule tasks or settings and broadcast announcements. Optoma's Management Suite (OMS)™ solution is perfect for easy management and control from any location for all your compatible Optoma devices.

## Specifications
